2. Date of submission of Tender : **1430 Hrs of 30.05.2007**
3. Date of opening of Bid : **1500 Hrs of 30.05.2007**
4. Sale of Tender Document : **From 23.04.2007 To 29.05.2007**

Section II

1. Clause 2.7.(e) may be read as Minimum two pairs each, of Type-III and Type-IV Convertors which are being offered in this tender, shall be given along with the bid document in for testing the equipment. The model and make will not be allowed to be changed during bulk supply and will remain same as these samples submitted at the time of bid. Samples so submitted should have the label clearly indicating the name of the vendor, make , model and serial number of the equipment.
2. Clause 2.10.1 (iv) may be read as " Type approval certificate/TSEC given by TEC/QA , in case of indigenous products. In case if it is not available , refer to clause 2.10.4 below. "
3. Clause 2.10.1 (vi) is deleted.
4. 2.10.1 (vii) may be read as "Undertaking duly signed by front bidder and its OEM stating that both of them shall be liable for due performance of the contract jointly and severally as per section X."
5. Clause.2.12.6 (d) may be read as " The bidder shall submit an irrevocable undertaking duly signed by it and its OEM stating that both of them i.e the bidder and its OEM shall be liable for due performance of the contract jointly and severally failing which both of them shall be liable to be barred from having any business dealing with BSNL for a period of 3 years”.

Section III

1. Clause 3.10.5 may be read as “ Supplier shall also maintain a requisite minimum stock of such PCB cards/equipment often going faulty at Test and repair Centres, in order to keep the down time less than 96 hours. The SUPPLIER shall be at liberty to distribute spares to the nodes as deemed The SUPPLIER shall also provide the name of alternate contact person or Technical Support Center with address & telephone /FAX no. which may be contacted by BSNL staff for support in case of no response/poor response from the designated Technical support center. Spare replacement can be done in four days. Repair and replacement of the faulty unit should be done by 15 days after the receipt of the faulty unit. This, however, shall not preclude BSNL from imposing the penalties, if any, as applicable as per the terms &

conditions of this agreement.

2. Clause 3.11.6 (vi) may be read as " Inspection Certificate by QA Circle for indigenous products"

Addition
