The rates quoted by the tenderer should be for repairs of power plants at the location where it was working before reporting as faulty.

- 1.** The tender should be submitted only in the prescribed form enclosed to this NIT which may be obtained from the office of GMT Chikmagalur by paying cash (non refundable) of Rs 116/- per copy at cash counter of this office between 10.00 hrs to 13.00 hrs during all working days from 23-06-2008 to 10-07-2008. Tender form may also be down loaded from Internet at the address www.karnataka.bsnl.co.in/chickmagalur and the same may be submitted along with necessary EMD and cost of NIT in the form of separate DD for EMD as well as for cost of NIT drawn in favour of BSNL Chikmagalur TD payable at Chikmagalur which shall be put in Technical Bid envelope.
- 2.** Each tender should be accompanied by EMD of Rs 10,000-00 (Rupees Ten Thousand only) in the form of DD drawn in favour of “BSNL Chikmagalur Telecom District” or by cash payable at the cash counter of this office between 10 00 hrs to 13 00 hrs during working days from 23-06-2008 to 10-07-2008. The tender should be submitted in “TWO” envelopes placed in side a main envelope and all the three envelopes should be sealed separately. a) **Technical Bid:** This envelope should contain the followings, i) Bid Security (EMD) ii) Duly signed Bid Document (in each page) iii) Copy of PAN card with PAN number iv) Experience certificate issued by Government/BSNL/any PSUs v) Service Tax Registration certificate copy if applicable or declaration by the bidder that he does not come under the purview of ST based on transaction limit. B) **Financial Bid:** This envelope should contain following. i) Rate format in ANNEXURE -1 duly signed by the contractor/tenderer with out any pre condition to the rates quoted by him.
- 3.** The sealed tender super scribed as “TENDER FOR REPAIR OF POWER PLANT” on the main cover should be addressed to Sri. H.V. Sheshadri, Divisional Engineer (PLG) O/o General Manager Telecom, Belt Road, Chikmagalur-577 101 so as to reach him on or before 15 00 hrs of 10/07/2008 and the same will be opened at 16 00 hrs of 10/07/2008 in the presence of such of those tenderers who may choose to be present
- 4.** The EMD will not carry any interest and EMD of unsuccessful tenderers will be refunded after finalisation of the tender and EMD of the successful tenderer will be retained as Security Deposit. The Security Deposit amount thus retained also will not carry any interest. Security deposit of RS. 25000/- will have to be deposited by the successful tenderer at the time of entering in to an agreement for above tender.

Signature of Tenderer

5. **The faulty Power Plants of different capacities and make will be offered for repairs as and when required by the BSNL on call basis. The repairs should be carried out at the spot which includes attending transformer problems, repairing /replacing of electronic components and any other problems and it is the responsibility of the tenderer to see that the repaired power plant works when put in to service.**

The Service Engineer or any authorized person by the contractor/Tenderer should reach the spot where the power plant is installed and fault reported from the competent authority either by telephone or by telegram within 48 hours and faults should be attended within 48 hours after reaching the spot. The competent authority for issue of work order/issuing telegram/FAX is Divisional Engineer (PLG) O/o GMT Chikmagalur after getting sanction by the GMT Chikmagalur in file.

6. **The tenderer shall ensure a minimum warranty period of six months in respect of the faults attended. The components replaced should have guarantee/warranty as prescribed by the Manufacturer. Any faults occurred during the warranty/guarantee period, shall be attended by the tenderer at free of cost, including cost of component. Only Genuine spares of reputed manufacturers should be used for repairs. No transportation charges, traveling charges, labour charges etc will be paid by the BSN in addition to the rate approved for the repairs.**
7. **The contractor should ensure proper care while handling the equipment. In case of any damages caused to the power plant or to any other equipment or damages caused due to utilization of sub-standard spares, the cost of the damage will be recovered from the contractor.**
8. **Bill in duplicate duly stamped, should be submitted to the concerned field officer after completion of the work, 90% of the preferred bills will be paid after due certification by the concerned field officer regarding quality of work, spares utilized and satisfactory working of power plant after deducting the Service TAX applicable or which may be introduced during the period of tender including employees provident fund as applicable. The balance of 10% will be paid after expiry of warranty period of six months if repaired modules/parts were in satisfactory and working condition during the warranty period.**
9. **Contractor shall observe all the relevant rules concerning to his workmen employed by him in carrying out the work and pay any compensation to the workmen payable under "The workmen's Compensation Act, 1923" for injuries or disabilities or death caused in the process of execution of the work. The BSNL is no way responsible for the labour /any other employed by contractor for carrying out the work. Clearance of EPF should be furnished if work is carried through employed labours or as per the rules of EPF Organisation.**

Signature of tenderer

10. Forfeiture of EMD & SD:

- I. In case the successful tender fails to execute the agreement within seven days of receipt of communication of acceptance from this office.
 - II. In case the contractor fails to take up the work within the specified period (para-5) and fails to complete the work within the stipulated period repeatedly (more than three times).
11. The successful tenderer shall execute an agreement on a stamp paper of Rs. 100-00 along with the payment of Security Deposit.
 12. The tender is valid for a period of two years from the date of agreement and the General Manager Telecom , Chikmagalur reserves the right to terminate the tender without assigning any reason during the two years period of tender.
 13. Conditional and or In complete tenders are liable for rejection. The tender will be reviewed for the performance after completion of one year and if the performance is satisfactory tender will be continued for another year.
 14. Service TAX registration is compulsory and tenderer shall attach copy of Service tax Registration certificate issued by competent authority along with tender document if transaction is in purview of Service TAX limits.
 15. The acceptance of any tender rests within the power of General Manager Telecom, Chikmagalur who does not bind himself to accept the lowest and also reserves the right to reject any or all tenders without assigning any reasons thereof.
 16. Penalty will be imposed for the delay in reaching to the work spot as in Para 5 and attending the fault after 48 hours of duration at 0.5% of the claimed bill cost for each day's delay restricting to 10% of total cost of the bill.
 17. The consolidated SDCA wise work order will be issued by the Divisional Engineer (PLG) office of the GMT Chikmagalur to the successful tenderer.
 18. Tender form in Annexure -I for Repairs of power plant in the SSA is furnished along with the NIT and the tenderer may quote his rate showing TAX separately.
 19. BSNL will evaluate the bids to determine whether tenders are complete, whether documents have been properly signed and in order/attached to the bids. Evaluation for arriving at L1 will be made by taking the rates quoted for each item* number of items repaired during last two years.
 20. Quantity of power plant modules to be offered for repairs is not fixed and will vary from year to year, however power plant modules repaired during the period from 1/11/2006 to 31/3/2008 are 25Amps- 117, 100 Amps-65 & Conventional 25 Amps-2.
